PURCHASING

Excerpt of Purchasing Policy 04.32 and Procurement Procedures 04.32AP, refer to Policy 04.32 and Procedure 04.32AP for full guidance

A purchase order is required before committing the Board to purchase any goods or services.

Purchasing - Bid Items

Items available from Bid vendors (School Specialty, Office Depot, etc.) require a signed purchase requisition approved by appropriate Budget Manager.

Purchasing - Non-Bid items (items not available from a Bid vendor)

Aggregate Amounts - This means that purchases of "like" item/items of \$20,000 in total must be formally bid. The \$20,000 amount is that amount purchased by the total District, not just one cost center.

The following procedures may be used for any contract in which the aggregate amount does not exceed \$20,000 in accordance with KRS 45A, the Kentucky Model Procurement Code:

- 1 A small purchase is the procurement of a good or service by the District which alone or in the aggregate of the like goods and services is less than \$20,000 per fiscal year. Purchases shall not be parceled, split, or artificially purchased over a period of time to meet the dollar limitations of this procedure.
- 2 Employees shall not use this procedure to bypass state price contracts, bids, etc., or to bypass conflict of interest regulations.
- 3 The following table shows the monetary thresholds corresponding with each of the necessary requirements for making small purchases:

MONETARY THRESHOLDS		REQUIREMENTS
