

Scott County Schools Department of Pupil Transportation welcomes everyone back to a new school year. School bus routing for the **2016-2017** school year will remain substantially the same as last year except routes that may be affected by residential growth and redistricting. All times are approximate and will be adjusted as necessary. Please note that transportation is not provided to students who are open enrolled. Special Education will be established per registration in the various schools. Questions about routing maybe directed to 570-3010.

ALL P/U & DROPS SHALL BE 30FT. FROM INTERSECTIONS.
