Title 1 Parent-School Learning Compact
2018/2019 School Year**

According to the Kentucky Department of Education Title 1 Part A guidelines, the parent-school learning compact is required of all schools receiving Title 1 funds. This compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards. Educational research suggests that parental involvement is one of the most powerful indicators of student academic success.
