## HELD AT THE SCOTT COUNTY MIDDLE SCHOOL THE REALITY STORE PROGRAM

Helps 8th grade students understand the importance of education. We strive to teach them that the more education they can obtain the better they can be financially. They select a career, are given children assignments, and pay bills based on their salary. This hands on activity will hopefully teach them to seek out continuing education with what ever career field they decide to strive for,

## How Can You Help?

There are a number of different store fronts AKA tables we need volunteers to sit in for. You would simply be there to help them through their purchases.

Tables to be filed include: Bank, Clothing, Child Care, Communication, Contributions, Eating out, Entertainment, Furniture, Groceries, Health, Housing, Insurance, Medical, Property Tax, SOS, Student Loans, Supplemental Income, Transportation, Travel, and Utilities
